7 dental wellness tips for more than just a healthy smile

"Though dental care might seem like a lot to manage, the easy, intentional habits you create really do make a difference."

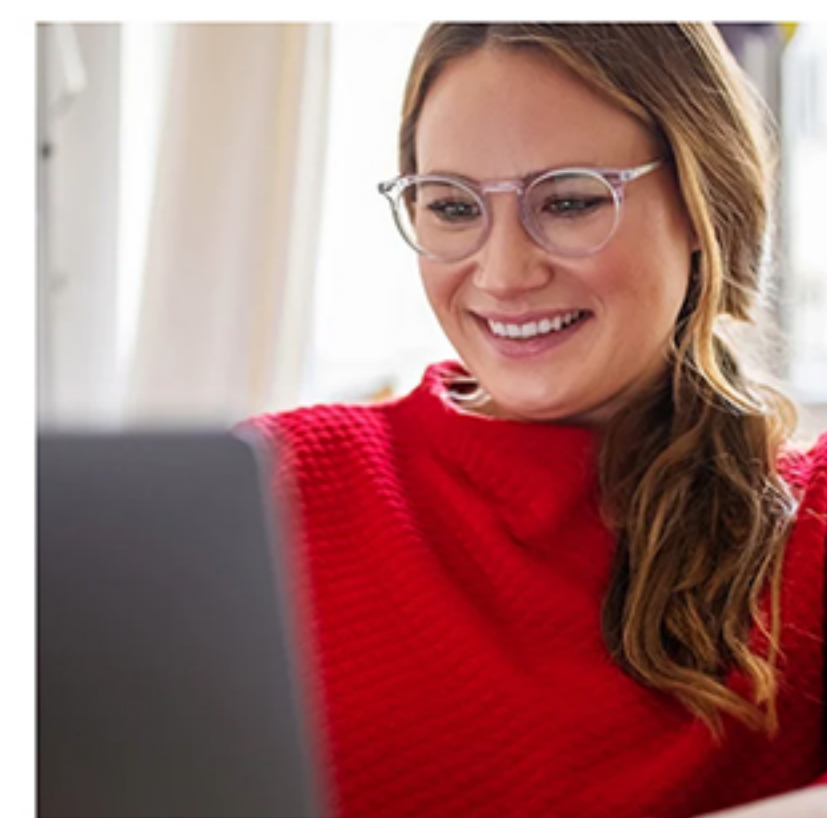

Dental insurance 101: everything you need to know

"With a dental plan, it's never been easier to get the proactive care you need at a price you want – and score savings of over \$425 a year based on estimated costs. (Yep. You read that right.)"

Why do I need dental insurance?

"Just like your health insurance plan (or even auto insurance!), you're enrolling in dental coverage to protect your finances and your wellbeing – because dental work can get expensive."

How to find the dental insurance plan that's right for you

"If you're considering getting a dental insurance plan for yourself or your family, take some time to understand the different plans available to you."

Save up to 80% on your prescriptions with a free coupon today!

Search for the best price at pharmacies near you — no fees or contracts.

Step 1: Enter your ZIP code

Step 2: Enter medication name

FIND THE BEST PRICE

Powered by GoodRx

Your medication — made affordable. Here's how.

SEARCH FOR YOUR MEDICATION.
Compare prices across over 60,000 pharmacies for the prescriptions you need.

FIND THE BEST DEAL AT YOUR LOCAL PHARMACY.
Because of our large network of people like you, we can find and negotiate special pricing with pharmacies and manufacturers. Everyone wins!

EMAIL OR PRINT YOUR COUPON
Tip: Need a refill? Just download a new coupon — there's no limit to how many times you can save.

It's as easy as click, click, save.

FIND MY PRESCRIPTION

Some of our partners include:

Pay less than your insurance.

Most health insurance plans include some prescription drug coverage, and you'll pay a portion of the cost at the pharmacy. But sometimes, you can find a better deal with Kasasa Care's prescription savings program.

And Medicare, too.

Medicare Part D helps to lower the cost of prescription drugs for those that qualify. The coupon price cannot be combined with your insurance or Medicare, but our price is often less!

Compare deals in just a few clicks.

Hundreds of generic medications are less than \$4 with a coupon from Kasasa Care. Next time you need a prescription filled, check with us first — the savings might surprise you.

START SAVING

Fight the flu at the lowest possible cost.

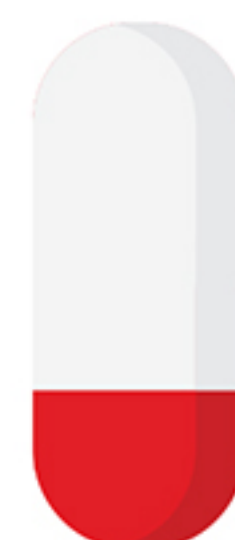

Feeling under the weather? Don't overpay. Save on remedies like Tamiflu all season long.

TAMIFLU PRICING WITHOUT COUPON

GET THE BEST PRICE

*Pricing based on ZIP 78753 as of March 2022 and may vary based on location and pharmacy availability.

Additional resources

We're here to help you save money on prescriptions like an expert.

Do prescription discount programs really work?

"And with those prescription prices rising every year, it's so important to find ways to save money. A prescription discount program is a good option."

Generic versus name brand drugs: What's the difference?

"According to the FDA, generic medicines work exactly the same as name-brand medicines, because they use the same active ingredients and work in the same way."

Why prescription prices vary at pharmacies

"Americans pay more for prescription drugs than any other developed country in the world — an average of \$1,200 annually."

How to research your way to prescription savings

"The price of the same prescription drug can vary by hundreds or even thousands of dollars, depending on where you buy it."

READ MORE

Big savings, no fees with GoodRx.

Since 2011, GoodRx has helped people save money by finding the lowest prescription prices at over 60,000 pharmacies nationwide. GoodRx coupons have saved consumers over \$14 billion, up to 80% on most FDA-approved drugs; they're free to use with no fees or obligations and can be shared with family and friends. You can read more about how GoodRx is revolutionizing pharmaceutical drug prices for consumers in the *The New York Times*, *Wall Street Journal* and more.
